Title : Need to set up an Agro-Rural Park at Jasdan in Rajkot district, Gujarat.

DR. VALLABHBHAI KATHIRIA (RAJKOT): Jasdan is a small town and a backward area of Rajkot district. About100 villages are having 20 industries as major income source. People's livelihood is on Agriculture, Animal Husbandry and artisans work. The Population of this tehsil is of mostly SCs and OBCs (economically backward class). I, therefore, request the Government to set up an Agro-Rural Park at Jasdan. The Government of Gujarat will provide land for the same and cooperate for setting up the park.
